Messy Easter by Children

## EASTER EGGS!

Have you seen any Easter Eggs yet this year? On a recent visit to the supermarket I went to look for Easter Eggs but found that they no longer exist. There are plenty of chocolate eggs, with names like 'Cadbury Marvellous Creation Egg' or 'Dairy milk Fredo Faces' or even 'Star Wars Egg Collection' but no Easter Eggs. Does this mean that Easter no longer exists? And if this is true then why bother celebrating at all? For Christians celebrating Easter has never been about the Eggs, Bunnies or Chicks we associate with Easter.

It is all about celebrating the life, death and resurrection of our Lord Jesus Christ. Jesus, the Son of God, who lived on this earth for 33years. The bible tells us about His life on earth, about the miracles He performed and the parables He told. The bible also tells us that because of His great love for us Jesus died on the cross and was buried in a tomb. But that was not the end because Jesus rose from the dead; He was seen by many people, individuals and groups at different times. This is what Easter is all about celebrating Jesus the Risen Lord who lives for ever more. Jesus, who had never sinned, died on the cross in your place. Because of His great sacrifice your sins can be forgiven, your life can be wiped clean; all you have to do is ask. **HE IS RISEN. HALLELUJAH**
