PRIORY BAPTIST CHURCH HOTHAM ROAD SOUTH

Isaiah 40:26 HE CALLS THE STARS BY NAME Psalm 147:4

As I write this we are planning our camping trip to North Wales. One of the things I like about camping is the sky at night. The sites we like to go to have very little artificial lighting on a night and on a clear night the sky comes to life with hundreds of stars.

An amazing sight that I will never get tired of seeing; when I look up at the stars I remember that they are part of God's creation. I remember how wonderful our God is and rejoice that He is my heavenly Father.

The bible tells us that God 'counts the number of stars' and 'calls them all by name'. God is all powerful but He is not uncaring or unapproachable.

The same God who created all the stars in the universe and knows them by name, also created you. He loves you and knows your name. He cares for you and longs for you to come to Him.

In fact God loves you so much that He sent His own Son, Jesus Christ, to earth to save you. It is through the blood of Jesus and His death on the cross that you can come to God today, washed clean of all your sins.

Next time you are outside on a clear evening, take the time to look up at Gods creation and marvel not just in the beauty of the stars but also in the wonderful love that God has for you.

The God who made the firmament, Who made the deepest sea, The God who put the stars in place Is the God who cares for me. – Berg

We were at the PUPILS OF PRIORY FESTIVAL at Priory Road school
On Saturday 8th July. We had tree games going with prizes of sweets and stickers.
Bet a duck, Beanbag through the hole and the Marble game.
We met lots of new people and used our new Priory Baptist Sails for the first time. Doreen.
