THAT FAMOUS SMILE

More than 600 years after da Vinci painted the famous painting 'Mona Lisa' there is one big question surrounding his masterpiece! "Is she smiling?" Though enraptured by the painting's beauty, we are unsure about her demeanour. The part of the painting that is most important is whether she is smiling.

Is smiling the Bible reality the less than five Scripture, and something we do. However, does it suggest an attitude that smiles – and word joy.

times we read "My heart joy" David thinks about [Psalm 28:7]

"Sing joyfully to the lord" [Psalm 33:1] God's statutes are "the joy of our heart" [Psalm 119:111]

And we are "filled with joy" because "the Lord has done great things for us" [Psalm 126:3]. Clearly the joy God provides through everything He has done for us can bring a smile to our faces.
